We are excited to announce the return of our SDC annual Symposium and look forward to your attendance on May 9, 2024, in Las Vegas, Nevada. As you may know, the Strategic Deterrent Coalition (SDC) is a nonprofit, nonpartisan, community-based organization formed to support the Nuclear Triad by providing educational information on the importance to our nation of maintaining a safe, secure, and effective nuclear deterrent. The SDC's purpose is to inform decision makers and thought leaders on how America's nuclear weapons contribute to our strategic position.

Our *Ninth* Annual Symposium will be on May 9, 2024 at the South Point Hotel, Casino & Spa, Las Vegas, NV. Our theme for this conference is *Deterrence: Remembering Why It Exists*. Our symposium agenda will also include a continued dialogue on the SDC's national conversation on recruiting and sustaining human talent in the Nuclear Enterprise.

The events will begin with a Nevada National Security Site Tour the morning of May 8<sup>th</sup>, followed by our Strategic Deterrence Coalition reception in the evening of May 8, 2024 at the South Point Hotel, Casino & Spa. The Symposium will be held at the hotel all day ending with a reception and dinner. The agenda has not been finally set, so the order of speakers and panels has not been finalized.

Symposium registration and lodging information is available via the link: [SDC 2024 Symposium Registration](#)

We look forward to your attendance and thank you for your support of the Strategic Deterrent Coalition.
